MEMORANDUM FOR: Mr. Coffey

25X1

SUBJECT : Regulations held up in DDP/PC

Two months have elapsed since you and [redacted], C/Opser/DDP, to discuss problems and delays in the coordination of regulations. The period has been a busy one in the regulations business, and we have completed action on a large number of jobs. As far as the DDP delinquency list is concerned, however, progress has been limited.

25X1

The delinquency list of 5 August 1969 contained 19 groups of jobs, 34 jobs in all. ~~Several~~ individual jobs had been in DDP/PC for two to four months awaiting authentication; none of these has been signed and they have been joined by five others. Nine groups (18 jobs) were in DDP/PC for coordination; three groups (eight jobs) have come back, but four new groups (15 jobs) have been added so that DDP/PC now has 10 groups (25 jobs) for coordination. Of the three groups (nine jobs) in the "Resolution of Differences" category, one group of five jobs has been cleared up and will shortly be coming to you for signature. The others are untouched.

Attached are 2 copies of a new list of jobs in DDP/PC as of 1 November 1969, with more comprehensive notes about the purposes and origins of the proposals. Asterisks show the jobs which were on the 5 August list. Also attached is your office file on this problem, including a copy of the August list.

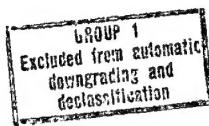

I have not sent a copy of the list to C/DDP/PC. The present staffing problem in his office (caused by the death of one employee and retirement of two others) makes it difficult to press [redacted] for responses at this time.
